Notice of Certification /DL/CPR Expirations

PCEMS monitors expiration dates through a tracking program in I Am Responding. You will receive notification of upcoming expirations at 90, 60 and 30 days prior to the expiration. This advance warning will come via an email from: Emergency Responder Reply System <messaging@iamresponding.com>. Be sure to get updated cards to PCOPS by sending a copy to cert@pcops.org, put a copy in your run sheet box, or stop by PCOPS to make a copy. Due to an audit we need current copies of all certifications, drivers license, and CPR cards. We also need changes in address and name changes.
